Dr. Harmon C. McAllister
Associate Research Director
The Council for Tobacco Research--USA, Inc.
900 Third Avenue (Fourth Floor)
New York, New York 10022

Dear Dr. McAllister:

The ~~1986 Deuel Conference on Lipids~~ has been tentatively set for March 4-7, 1986 aboard the Queen Mary in Long Beach, California.

The program is being organized by Dr. Alan M. Fogelman of the UCLA School of Medicine. He has tentatively planned a session on "Isoprenoid Biosynthesis Including HMG-CoA Reductase"; a session on "Receptors with Emphasis on the LDL Receptor, the Scavenger Receptor, the E Receptor (Chylomicron Remnant Receptor) and possibly the beta-VLDL Receptor"; a session on "Lipoproteins with Emphasis on apo-beta and apo E"; and two sessions on "The Cells of the Artery Wall with Emphasis on Macrophages and Endothelial Cells and Possibly Smooth Muscle Cells". When speakers are confirmed, a more detailed program will be provided.

A copy of brief background information on the Deuel Conference is enclosed for your information.

Because of the past support of Deuel Conferences by The Council for Tobacco Research--USA, Inc., we are informing you of the forthcoming program for the 1986 conference, and are again soliciting your financial support. However, because of the limitations on the conference size, it is necessary to restrict supporting organizations to two representatives at the round table at a minimum donation of $1500 per attendee. The Deuel Conference maintains an informal atmosphere, encourages free and open discussion by all attendees, and it is a forum for presentation of new and unpublished data in rapidly developing new fields of research.

For your information, I also enclose a copy of last year's program. We would be grateful for your early decision concerning support of the 1986 conference. If you are able to support the conference, please make the check payable to "The 1986 Deuel Conference" and send it to me at the Hormel Institute. We should also receive the name(s) of your attendee(s) as soon as possible so that program and registration materials may be forwarded to the appropriate person(s).

~~Sincerely~~,

Ralph T. Holman

Ralph T. Holman, Chairman
Funding Committee
